

Student Council Meeting 30/03/2021

1. Introduction/Attendance

Sara, Matteo, Denise, Sonja, Malika, Richa, Celia

2. Conclusion Evaluation Methods Exam

- *If additional criticism is to be written for future exams, wait until after the second attempt or discuss*

a. Additional comments of second attempts (infection, clinical, immunology, methods)

- *Ensure informational e-mails about exams are received by everyone*
- *Infection exam potentially slightly too detail oriented?*

3. Speed dating master Immunobiology

- *Likely on the 17th, survey still ongoing deciding for final date*
- *Remind courses to participate in survey*

4. Lab rotation list 2nd year students

a. Excel list

- *Send reminder to 2nd year students to fulfil list*

b. Zoom meeting

- *Preferably on weekend, 7/8pm*
- *Possibly on weekend of 24th?*
- *Send questions previous to meeting to prepare*

5. R-course

a. Cornelia

- *Contacted and wait for next steps*

6. OTHER

- *Revisit protocols previous to uploading before next meeting*
- *Redact names in uploaded version to keep anonymous*
