

## **Student Council Meeting 13/04/2021**

### 1. Introduction/Attendance

Celia, Matteo, Sara, Sonja, (Aurelia), Richa, Denise

### 2. Second attempt exams

- Second methods exam was considered fair

### 3. Speed dating master Immunobiology

- Send a reminder to the WhatsApp group to encourage more people to participate
- Prepare questions as conversation starters?
- See how the first round goes and adapt/explain if needed

### 4. Lab rotation symposium

#### a. 19h or 20h?

- 19h was accepted unanimously
- Specify a time limit for each speaker → 10 minutes per talk
- Add to email: If a speaker has limited time, they can notify us and we can schedule them at the beginning of the event
- Create a schedule with the order of the speakers and their respective topics

#### b. Send the email

- Send reminder with the schedule and the zoom link

## 5. OTHER

### a. R-course

- No official timing for the autumn announced yet, perhaps in September before the lab rotation start
