c. Proposals in person meeting → **Denise**

- So far, the new regulations from 20.08. to 17.09. allow private gatherings without limit in attendee numbers and without contact tracing
- But attendees have to be vaccinated, tested or recovered
 - Ideas:
 1. Barbecue/picnic
 2. Hiking (mobil.nrw)
 3. Hybrid, one online meeting first and a city rally in person some time after that

- Online speeddating via zoom, maybe with some games?
- Proposal for online meeting: 2nd October
 - ii. Games, each member of the student council plans one game?
- Speeddating with word pairings: each student gets a word in the beginning (e.g. a spice, salt) and has to find out the words of the other students they meet. In the end every correctly guessed word gets you points and there will be a winner with the most points
 - Modifications include: choose your own word
 - The word itself cannot be said (like Tabu)
- For in person meeting if do the meeting officially we could use the hygiene concept from the big student council
- Mail to Cornelia to get an official viewpoint
 - Ask about the date for the barbecue
