6. LIMES and MII meeting
 - a. Updates
 - Date: Saturday 27th November
 - 2 members of the organizing committee will not be able to attend
 - LIMES room still has to be booked and the service is very strict
 - The incidence value is just too high at the moment to enable safe gathering, even at 2G conditions, so the event will be postponed to January 2022
7. Upcoming events
 - a. Christmas market
 - Planning any event is risky at the moment, cancel the event

8. Dongles for Flow Cytometry

- The proposal will be reviewed in January 2022
- Until then a 2 page proposal has to be written, detailing the use and necessity of the dongles

9. Hoodies and T-shirts

a. New logo arrived

- Tell the first semester students to start electing their own student council
- Try to get them motivated for the student council by integrating them into the Tshirt designing process

10. Others

a. Master Thesis symposium with upper semester

- Don't make it a whole event, instead provide a list of possible contacts when someone has questions
 - a. Alumni network?
- Create an excel document where contact details can be entered + topic + group information
- Switch back to online meeting starting next session
