 - a. Any news?
Richa not attending
5. Social Media
No news
6. Dongles for Flow Cytometry
 - Licences instead of dongles? (more financially viable?)
 - o Can change device associated with license up to 4 times a year
 - o License is around 300 a year vs around 3k for a dongle
 - Dongle is not updated but lifetime access while licenses are further updated
 - Dongle considerably more flexible and can be utilised by more people
 - → Dongles preferred (1 or 2 depending on funding), Denise send e-mail
7. Hoodies and T-shirts
 - Wait for designs of first years (22nd of December) and assemble questionnaire for choice

8. Others

- a. Set up of Alumni network
- b. Meetings attendance for the Big Student Council
 - Possible graduation ceremony with global health and neurosciences master in middle of October
 - Hybrid format for those who left or cannot participate
 - Allow people to present their findings if anyone wants to
 - Lower semester can participate to see what was done by higher semesters too
 - Sara sends e-mail
 - Create alumni network by collecting names of graduating students, but discuss at later time (as symposium may be difficult to organise)
 - Have list for potential reunions or guest speaker appearances at a later date (or other events)
 - Appoint new student council between 31.1.22 and 4.2.22
 - Transition with introduction to big student council
