

Protocol 08.03.2022

1) Attendance, protocol

- Vishakha and Julia attended
- The last protocol was accepted

2) Lab rotation symposium

- We have to find a week which works for the 2nd year students. First few weeks of the semester are probably best for us → everyone is back from vacation + we shouldn't be too busy yet

3) Official student council

- No updates

4) Funding for dongle

- No updates

5) IT

- Bianca will clean up google drive folders
- Bianca will draft how to present the student council on the cluster's website

6) Others

- a. Freshman week planning
 - o Everyone from our batch (currently 1st semester) will be invited for brainstorming the upcoming freshmen week at the beginning of the summer semester 2022
