

# Protocol 05.04.2022

## 1. Attendance

- Online meeting via Zoom
- Maximilian, Vishakha, Julia, Hena, Bianca were attending
- The protocol from the last meeting is accepted

## 2. Big student council

- No one attended the meeting

### Reorganization of official student council structures

- We want to belong to the student council of medicine, Maxi already contacted Kim from their student council, they are okay with it. We would be a "Fachausschuss" again
- Official voting by ASTA will be performed on 11<sup>th</sup> April
- The student council of Molecular Biomedicine is informed

## 3. Social media

- Vishakha set up an Instagram page, Cornelia is informed about the usage of the Cluster's logo

## 4. IT

- Everyone will fill in the form for website content
- Bianca will contact Cornelia to put it on the Cluster's website

## 5. Finances

- Julia talked to people about FlowJo dongles, one FlowJo Dongle is ordered (granted about one year ago)
- By contacting Mrs. Puvogel ([kathrin.puvogel@ukbonn.de](mailto:kathrin.puvogel@ukbonn.de)) we can apply for money from QV Mittel from medical faculty

## 6. Others

- We still want to plan the get together with the other master programs (immunobiology and biochemistry) which was postponed from November 2021 due to pandemic restrictions. Maxi will contact Tim Ducksch
- Next Wednesday (13.04.22) we plan to do the meeting for lab rotation presentations. We will again contact the year above us so that they can fill in the survey and/or attend the meeting
